

3<sup>rd</sup> July 2019

Dear resident,

RE: Pitfield Street new services

We are writing to inform you that from Monday 8<sup>th</sup> July we will commence the installation of new services to Pitfield Street, working from Hyde Road towards Mintern Street, as shown below.

The services will be installed partly in the footpath on Pitfield Street and partly in the road. We are installing all of the district heating, electric, water and gas services in on trench to minimise the disruption from installing the services.

Please be assured that vehicle access into Clinger Court and the Cycle Super Highway will be maintained at all times during these works.

If you have any question or concerns, please do not hesitate to contact me on 07976 587 990.
