

3<sup>rd</sup> July 2019

Dear resident,

RE: Hyde Road / Pitfield Street zebra crossing

We are writing to inform you that on Saturday 6<sup>th</sup> July the zebra crossing on the corner of Hyde Road / Pitfield Street will be temporarily out of action. This is to allow the new services to be installed across the road below.

The works are being carried out on a Saturday at the request of the Streetscene Highways team when the road is quieter.

We will commence these works at 8am and they will be complete by 5pm. As this will involve working past our agreed Saturday working hours, we have sought permission from the Hackney Environmental Health team on this one occasion to work until 5pm.

There will be traffic marshals present throughout the duration of the works to help with crossing the road while the zebra crossing is out of action.
